

A-LA-CARTE SERVICES

Do these issues plague your business?

Wasted Time? Do your staff productivity levels drop dramatically during IT outages, interruptions, or inefficiencies?

Security Fears? Worried that vulnerable servers, laptops or PCs may be putting your organization or company data at risk?

Lost Data? What would be the impact of a hardware failure or if a laptop was stolen and critical business data was lost?

Untimely Network Failures? Not knowing what will fail and when, and then having to wait for a technician to arrive?

Regulatory pressures? Do you have to demonstrate compliance or provide audit data?

Fully Monitored System

We monitor the software to ensure it is always working, has the latest virus protection and will act immediately if there is an issue

Program Advantages:

Secure Network: We can ensure patches and antivirus updates for your PCs have been installed, prevent spam from reaching your network reducing the likelihood of your network being compromised.

Protected Business Information: Data backup services provide peace-of-mind knowing all critical business and customer data can be quickly restored.

Spend More Time Working: We can be your networking watchdog, enabling you to focus on your core business activities instead of managing a network or its problems.

Be Compliance Ready: Ensure that all of your Regulatory Compliance Reports are in place and avoid the huge audit fees and fines.

Flexible IT Solutions for the Right Price

Your technology needs to be as flexible as your business, so we developed our à la carte IT support program. The à la carte program allows you to customize your support and service needs directly related to your critical business services, all at a cost effective price.

This offering allows you to select individual services that meet specific needs within your business. You may not need a fully outsourced IT department, but everyone needs to avoid viruses, backup failures, and wasted time on emails you should have never received.

Simply work with us to determine what services make sense for you, and we'll ensure that you have a solution tailored to your needs. You know your business better than anyone, so we put the decision and purchasing power in your hands!

“AltaPacific’s flexible support options let me tailor a solution that met my business’ needs, and helped me get more out of my technology.”
